5 good reasons to stock our **I**ndividually **Q**uick **F**rozen berries

1. Our farms are audited by Global G.A.P.
2. 100% natural farming methods. No growth stimulants or harmful sprays
3. Our fruit is grown, picked and packed on our own farms in the Western Cape
4. The imported Blackcurrants and Redcurrants are HACCP approved
5. Environmentally friendly, frost resistant, see-through packaging. "What you see is what you get"
